Primary Audience: Statewide Public

PROJECT INFORMATION

Project Title

Beehive Interlibrary Loan Transport Grant

Project Description

Provide libraries the ability to obtain information resources by borrowing materials/resources not available locally from other libraries.

Assurances (please check the appropriate boxes)

- | | | |
|--|-----|----|
| 1. Is the library/library system currently charging for interlibrary loan services? | Yes | No |
| 2. Is the library/library system considering charging for interlibrary loan services? | Yes | No |
| 3. Does the library/library system agree to NOT charge for interlibrary loan services between July 1, 2024 and June 30, 2028 ? | Yes | No |

Funding

Participating libraries/library systems will share in an annual program funding amount.

Individual funding will be determined annually and is based on a look back at the most recent, past fiscal year (July-June). The per-transaction amount is based on total eligible Beehive ILL transactions statewide; library/library system's share will be their portion of the total.

Official transaction amounts will be maintained and reported to Grant Programs by Library Services staff at the Library Commission through the Beehive ILL system.
